Edition #9

March, 2019

Our District Convention will be Saturday night April 6th and Sunday the 7th and much planning is needed. Our next convention planning meeting will be Tuesday March 12th @ 6:30pm at the Radisson. All are welcome.

I can't believe it but our **District 14-H Four Diamonds 5 K** is only **4** weeks away!!! I need Lions and Leos to help out along the race route. We plan on staging along the sides to cheer runners and walkers. But we need every Lion to promote this event in whatever capacity you can. We need sponsors, runners and walkers. Please let me know any way you can help. We have never undertaken an event of this magnitude so let's do what Lions do and make it **a huge success**. Below please find a copy of the sponsor sheet as well as the corporate letter that you and your club can use to distribute to the community, businesses, friends, family and YOU! This race is depended on everyone's help. Additional information about the race and online registration site can be found on Scranton Running's website: www.scrantonrunning.com If you need more info on Four Diamonds, please go to their website at: www.fourdiamonds.org Please call or e-mail me to say how you can help. Thanks, DG Bill.

Another great event right here close to home is our State Lions Convention at amazing Kalahari Resort and Waterpark near Mount Pocono on May 16th to the 19th. This will be one unforgettable convention of Lions with the guest speaker our first ever lady International President, Gudren Yngvadottir from Iceland. There will be much to do and enjoy at the newest resort in the Poconos. I hope to see you there.

What an exciting time to be a Lion or Leo!!

I am so thrilled to see what each club is doing in their community and what we as a district are doing to make an impact on the world we live in.

Between now and July 1st, the end of my year as DG, we have the St. Patrick's Day Parade in Scranton on the March 9th, Our 5-K on March 30th, The Radisson Hotel in Scranton will be the site of our District Convention. April 6th kicks it off with an amazing Hospitality Night put on by the Eynon Archbald Lions in honor of, soon to be, District Governor Fran Stepkovitch. At our business meeting on the 7th we will vote in our new DG Fran and VDG David Barrett to lead us into the next two years. For the weekend we will have a wonderful guest speaker from New Jersey, Past International Director Melvyn Bray, along with his wife Lion Jinny. He will be sharing his wisdom and experiences garnered as he traveled the world. There will be basket raffles, 50/50's, awards and of course great food at our Banquet that evening. A personal favorite part will be the crowning of our 4 Leo of the year candidates and one special Leo will be the District 14-H Leo of the year. The State Convention on May 16th -19th was mentioned above. Our DG elect Fran will be attending the International Convention that will be held in Milan, Italy where she will become our official District Governor 2019-2020. And that brings me to my last Cabinet Meeting on Sunday, June 9th at the Jefferson Township Lions Club. There will be a full blown Southern Bar B Que after the meeting.

Yes, we have all these things to look forward to and still we have all the events we Lions and Leos have planned for this spring. We still will hold fundraisers, do service projects, help our friends and neighbors whenever we are called upon and do it all with that special smile we Lions wear when WE SERVE. Continue to give your all and all you give will open your heart to give even more. God bless you and your endeavors, DG Bill

Yep, that really happened!

In a few weeks we will be back on Daylight Savings time and celebrating Spring. As you may know we become different creatures when Spring arrives and yes, your DG is no different. One of the first jobs I had one Spring was to paint a house in Archbald. My cousin George was painting one side of a corner and I was painting the other side. Sometimes after a particularly cold winter it is a wonderful opportunity to wear less clothing on that first real warm day. Well, there we were painting away when a pretty young lady walked up the sidewalk celebrating the warm sun and wearing what she thought to be appropriate clothing for a day of this caliber. I agree she was not overly exposed in any way but after not seeing anyone in shorts and a tank top for what seemed forever, her attire was quite eye catching for a young man. Yes, I once was young. My cousin George must have caught a vision of her first and stuck his head out to take in this unexpected pleasure. I didn't see him, but suddenly there she was. They say that in the Spring a young mans' heart turns to folly. But being on a jobsite I had to maintain my professional attitude and as I took a peek in her direction. Much to George's dismay, I painted Georges' face a nice shade of Spring Green. While in the present time he did not appreciate my brush strokes, I almost fell off of the scaffold laughing at him. Though George did not presently appreciate my artistic endeavors, It brought laughter at that memory of that Spring day for many years. **Oh, yep that really happened.**
PS That young lady for some reason walked on the opposite side of the street when she returned.

Four Diamonds Foundation information; fourdiamonds.org

I would like the opportunity to introduce myself. I am District Governor William Metschulat of the Lions Clubs International District 14-H. Our district encompasses the Counties of Lackawanna, Susquehanna, Wayne and Wyoming. We are 29 clubs and 850 members whose purpose is to serve those around us. The reason for contacting you is to ask your inclusion in our most worthwhile project. Our Lions District 14-H has contracted Scranton Running Company to schedule a 5-K Run/Walk for March 30, 2019 on the Lackawanna Valley Heritage Trail in Scranton. The reason for this event is to raise awareness of, and funding for, The Four Diamonds Foundation. Four Diamonds focuses only on childhood cancer research and implementation of cancer treatments to our most vulnerable. They also provide funding to all families affected by this egregious and too often deadly disease. Teamed with the Penn State Health System and Hershey Medical Center and the Lions Clubs of Pennsylvania, Four Diamonds has the opportunity to continue to treat and cure childhood cancer with the end resulting goal of restoring a family unit.

I would ask you to, please, carefully consider how you may become a partner with us that a child can once again be capable of doing everything any other child can do. If you would have any questions or input, please contact me by cell phone or e-mail and I will return your call/e-mail ASAP. I would like to close this letter by saying from my heart, I pray you or your loved ones never hear those heartbreaking and life changing words,

“Your Child has Cancer”

Thank you, District Governor Bill

Fellow Lions

Happy Spring 🌸, first day of spring is March 20th! A time for new beginnings, new goals, new challenges. I am busy working on my Directory, setting up meetings and getting things in order, my year as District Governor is sneaking up on me, way to fast 😊.

I had a busy February, State Council meeting in Altoona was very exciting, guest speaker was PID Joyce Middleton from Bridgewater, Mass. She talked to us about Lions New Voices. Check out more information on MYLCI. International Women's Day is March 8 #Balanceforbetter.

District 14H council meeting we had at Happy Valley, we wore our favorite team gear, discussed committee reports and **congratulations** to IPDG Cathy Metschulat on donating a Brady Buggy, super job.

I attended club visits in Jermyn, Jessup, Taylor, and presented Scott Township an award. I always enjoy meeting our awesome Lions of District 14H. Thanks very much for your hospitality.

VDG training was at the Q in Chicago, we had several classroom training days, met fellow VDG Lions from all over the World, what a wonderful experience. We all met Vice President Dr. Jung-Yul Choi. He talked about diversity, creating harmony through service. We received a tour of LCI Headquarters and the weather let us visit Melvin Jones gravesite.

Join Your District 14H for the Saint Patricks Day Parade in Scranton 3/9, help us decorate 9:30am, a fun event.

Join myself, your fellow Lions and my home Club (Eynon Archbald) for hospitality night, Saturday, April 6 from 7-10 at the Radisson in Scranton in the Delaware room. Sunday, April 7th is the Convention, make your reservations soon.

Thank you for all you do.

Dear District Members,

What would we be without leaders? No presidents, secretaries, treasurers, chairpersons, workers?

We would not be the successful organization that we are and we would not be able to serve to all the millions of people that need our help. The next step from being a leader within your own club is to be a leader for all of our clubs that are within our designated district. Each year new leaders are needed to be able to continue our great work and this continues again this year.

We are in search of our next district's leader to step up and become our 2nd Vice District Governor for 2019-2020 and move forward to Governor in 2021-2022! If you have served as a President and a Zone Chair, you can send your letter of intent to me ASAP. If you have not taken either position but you are interested, please contact me for further details to how to move forward.

Your help is needed and greatly appreciated, Thank you!!

In Friendship & In Service,

IPDG Cathy Metschulat

Dear District Governors;

I am writing you to help me dispense information to member of your district that may be interested in attending the International Convention in Milan, Italy. Attached, I have a copy of the information. The committee would appreciate you sending this out to the members of your district via email.

The information that we are providing will hopefully answer some of the questions they may have in determining whether they will attend this year's international convention.

Again, thank you for your cooperation.

December 28, 2018

Hello Fellow Lions;

Today am writing to you about the Lions International Convention in Milan, Italy. Some information has come to my attention that I feel needs to be presented to anyone who has any intention of attending the international convention. The following will require your attention; please review as timing may be an important factor.

1. Passport – it must be current and valid for six (6) months after your return
2. Health insurance – Medicare does not cover you out of the country; check your supplement insurance for coverage.
3. Travel Insurance – check with your travel agent to see if they recommend this coverage. Estimated cost \$100 or more per person. Death benefits are important here.
4. Visa – not required if you are a United States citizen.
5. Currency – Italy uses the euro which can be obtained state side from various agencies, one being AAA, for a fee.

The committee hopes that this will be helpful information for you to make your experience an enjoyable one at the international convention. If more information is needed please contact me.

Women are integral to the Lions family. Through our empowerment programs, Lions Clubs International encourages women to get involved at all levels. **The Women's Initiative** promotes recognition for contributions by women and raises awareness of recruitment and leadership opportunities.

A new program created by International President, Gudrun Bjort Yngvadottir, the first female president of Lions Clubs International, The New Voices initiative celebrates the impact women Lions make every day. New Voices promotes gender parity by focusing on increasing the number of women in Lions clubs, as well as closing the gap between men and women in leadership positions. This initiative seeks to recognize those who champion women's voices in one of four areas: Service, Membership, Leadership, and Marketing.
