Northeast Lion

By PDG Joe Skinner - JSkinner710@Comcast.net - 570-587-2073

Happy August - summer is flying by, before you know it, it will be back to school time.

I went to our international convention in Milan - had a wonderful time with my fellow District Governor's from all over the world, met old friends and made new friends, it was a wonderful experience, being with fellow Lions, exchanging our ideas, and gaining new ideas as well. Congratulations to all new members of our International family, congratulations to Our new international Director Larry Edwards too. My experience in Milan was a little challenging at times, but amazing, my husband and I had a great time marching in the parade and touring the different areas of Milan, we extended our trip to sightseeing in Venice, Florence and Rome, we even figured out how to use their metro system.

The day I returned- I was excited to stop up to the Jermyn Lions and induct new members -

We Serve

Happy August everyone!

With the first month of the fiscal year down, it's time to get into the full swing of business. Earlier this month I had the opportunity to attend my fourth International Convention in a row in Milan Italy. It was a great time to catch up with old friends from around the world and also to meet new ones.

Our new International President Choi is full of energy and has huge plans promoting our organization through diversity and service.

One of the things I was big with pushing our district to do in my first term was for clubs to have events that will help promote your club. Let your community know what we do, and that we are here to serve them with their needs. For example; a couple weeks ago I attended the Dalton Fire Company Carnival where the Dalton Lions Club ran the potato pancake stand (they might have some competition with my recipe). The carnival wasn't their event, however, they helped their community and their stand was decorated with signs stating who they were and what they do. Getting recognized is the key factor to the success of what we do for our communities.

As we approach August, make a note in your clubs agenda at your next meeting to start planning ahead for your events. Christmas is just four months away but prior to that, your club can have a Halloween party for the kids, sponsor and march in a Veterans Day Parade, hold a food drive for families who need help with Thanksgiving dinner. Even shovel the snow from your neighbors sidewalk (yes, cold weather is upon us too).

Events with community involvement will naturally promote our organization to have others do what we do best, serve.

With my background in hospitality, event planning has always been my strongpoint and I will be happy to help your club in anyway possible for you to have a successful event. Feel free to contact me if needed.

TUNKHANNOCK LIONS CLUB

Hello,

I am a teacher in the Tunkhannock Area School District. I've been wanting to reach out to you since I received your survey last spring. In 2018-19, Tunkhannock Area School District implemented a Social Emotional Learning class for all students in grades K-6 last year, and is expanding it to grade 7 this year. With the help of a grant from our local Lion's Club, we were able to purchase the program curriculum last summer. Our district has assigned two teachers specifically assigned to teach this curriculum called

Lion's Quest Social and Emotional Learning Program.

I am thrilled to be one of those teachers, along with Mrs. Deanna Semyon.

This program has significant potential to assist in the drug/alcohol crisis as it teaches children the skills they need to make responsible decisions, handle strong emotions, become more self aware as well as socially aware. Several lessons within this curriculum deal specifically with drug and alcohol awareness. Not only are those lessons directly targeted to what your survey was looking into, but the whole program encompasses concepts to help students recognize and understand their strong feelings and emotions and employ positive ways to deal with them. We focus on building self esteem, respect for self and others, and enabling students to identify inner strengths and celebrate their individuality in healthful ways.

I feel very fortunate to be able to be in a position to be able to concentrate all of my efforts on lessons which specifically address these important areas of need for our students.

I'm hoping we can bring awareness to Social Emotional Learning programs like Lion's Quest and see them become more of the rule rather than the exception in school districts everywhere as it is so desperately needed, as you being in law enforcement see the effects on the other end of the spectrum. I truly believe that Social Emotional Learning programs are paramount to undermining the mental health crisis we see today and the sad effects people endure as a result. So much more needs to be done, but I feel that teaching these skills in schools starting in kindergarten is crucial! The infographic flyer shows the research base and positive long term effects and impact this program has made globally. The prevention flyer specifically targets education deemed toward drug and alcohol use. If you are ever in a position to encourage school districts to adopt programs such as Lion's Quest, please feel free to share these flyers. We need to get more districts on board!!

Thank you so much for reaching out to our schools!!

Please see the attached flyers published by Lion's Quest.

DO YOU KNOW THE RELEVANCE OF THIS PICTURE?

At the International Convention, the incoming District Governors are given a blue ribbon, which says “Elect”, to attach to their name badge. The incoming Districts Governors, from all over the world, take the oath of office from the incoming International President, at a swearing in ceremony. Once the District Governor accepts the oath, and converts from District Governor elect to District Governor of their respective Districts. The blue ribbon is removed by someone of their choosing. A spouse, a friend, a PDG, or even someone from another country. It is a special moment. In this case it is Lion Ed Stepkovitch, Fran’s husband. In my year, in Toronto Canada, my wife removed my blue ribbon.

Hi Again Everyone !

Hope your summer is going well. Fran is back from Italy and getting ready for the first cabinet meeting in 2 weeks but the reservations are slow to come in.

Please keep in mind RESERVATIONS ARE DUE THIS BY FRIDAY, AUGUST 2.

We need your responses asap so the Legion can ensure enough seats (in addition to food) are available for everyone.

If anyone has anything to add to the agenda, please let me know NO LATER THAN AUGUST 7.

Thank you. I look forward to hearing from all you.
