

March 2020

PDG Joe Skinner – Jskinner710@comcast.net – 570-587-2073

Northeast Lion

Governor Fran Stepkovitch ~ Eynon / Archbald Lions Club

Hi Lions of District 14H

March is here! Month of Lions 42nd Annual United Nation's Day on the 7th, Daylight savings as we spring ahead at 3/7-3/8 weekend, St. Patrick's Day on the 17th and - Woo-Hoo - our first day of spring on the 20th. Our Lions year is quickly going by, don't forget to always promote all you do, brag, and let everyone know all the great things Lions do for their Communities. Thank you.

Had a wonderful visit with the Taylor Lions on the 22nd, they had a nicely Lions decorated cake and presented their Fair Share check, and honored to induct their new member John George Thubborn, Congratulations! Sunday the 23rd was an Awesome job by the Falls Lions Club at their Game Dinner, thanks. March Club visits - 3rd is Eynon Archbald, Jermyn & Jessup together, 5th is Moosic, 17th is Mayfield.

Tune in on March 10th to Pa Live on WBRE (NBC - channel 808 on Xfinity) around 4pm, I will be promoting my District Governor Project Bags for Beads Designer Purse Bingo, being held at St Michaels Hall, 403 Delaware St., Jermyn, doors open at noon, bingo starts at 1, \$20 in advance, \$25 at the door, 16 regular games, 4 specials, raffle baskets, 50/50. It will be a fun time, and we will be helping, to encourage a child through their journey to recover from a serious illness or cancer, as they heal. Each bead they receive represents - x-ray, IV, needle poke, Doctor visit, overnight hospital stay, blood transfusions, loss of hair, surgery, PT, scans, tests, chemo..... It not only helps the child through their recovery, but the parents and siblings as well. All funds will go to Palermo Heart to Heart Beads of Courage and stay in Pa. Thanks very much to everyone and all Clubs that have already donated to my project, donated a basket, or bought a Carry A Bead packet, appreciate it very much.

LET'S BEAD STRONG TOGETHER

COME ONE - COME ALL to the Scranton St. Patrick's Day Parade on Saturday, March 14th, we meet at 10am on the Penn Ave side to the VA to decorate, or come later on between 11-11:30 to walk or ride the float - We have lots of room for riders, need to fill our float (20 feet of space, lots of seating), PDG Butch Sands and Lion Josie always do a great job driving - Let's promote Lionism - fill the Float and have fun too. We moved up to the 2nd group, we will be going out pretty quick, then you can stay and enjoy the rest of the day. This years theme is When Lions Eyes Are Smiling.

I attended this years 3rd State Council Meeting 2/7 to 2/9 at State College, they are always very informative and productive. We heard from Our very own International Director Larry Edwards, spoke about membership - Pennsylvania is #3, Texas is #1 and California is #2.

As I challenged each Club to add one new member, ID Larry did as well. He would like to see each Club add one new member before June and he talked about NAMI (North American Membership Initiative), more information coming soon to all. Our Guest speaker International Director Gary Brown spoke on Diabetes Awareness (I have his slide program, if anyone wants a copy, let me know), and what it means to be a Lion. He mentioned - Just ask someone new to help at a fundraiser or Club project, how would they not want to become a Lion? We endorsed Douglas Alexander as International Vice President, approved for a 50 foot trailer wrap (PA Lions disaster relief) they received 2 - \$5,000 grants from Our 2 Pa Foundations. Peace Poster contest went to District 14A, Leo of the Year went to District 14P. We amended our budget to give back \$1.50 to Our All State the band (State Finance Committee proposal was reducing it to \$1.00).

**DISTRICT 14H Convention 4/24 Hospitality Night hosted by Minooka Lions, and 4/25 is business meeting and banquet, information in this newsletter. Make plans to attend, thank you. International Director Michael D. "Mike" Banks and his lovely wife Lion Anne Matoy-Banks is our guest speaker from Stillwater, Ok.

++State Convention this year is in Erie May 14 through May 17 - if you are planning to attend, let me know and I can get you applications to register and hotel info.

Thanks very much for all you do, thank you for supporting all Our Foundations with Fair Share, have your secretaries report monthly membership report each month (even if nothing new), and activities to My Lion. If you don't report anything, Our District doesn't get credit and it looks like we only serve few - when all Our Clubs are very busy serving many in need. Where there is a need, there is a Lion. Have your Treasurer's send in your International, State and District dues, if already paid, thank you.

Remember to Like Our Facebook Page - District 14H Lions - for upcoming events, if you have a Club event, let me know and I will post for you.

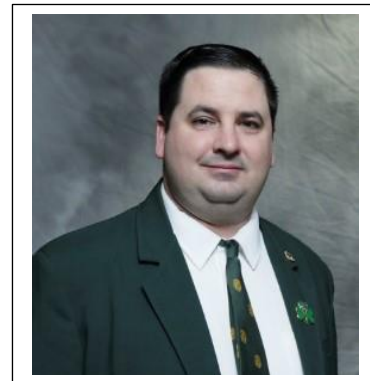

Thanks for all you do - WE SERVE
DG Fran

Vice Governor - PDG Dave Barrett – Minooka Lions Club

Happy March everyone!!!!

Even though February is the shortest month of the year, it has been the busiest of the year so far. With attending the State Council meeting in State College, District Governor Elect training in Chicago, our District Cabinet meeting, and club visits, I almost forgot that I still had to go back to my job in between everything.

In Chicago, I had the opportunity to visit L.C.I. Headquarters, have lunch with many new and old friends, and a chance to meet our new 1st International Vice President, Douglas Alexander from Brooklyn, NY. Although he has big shoes to fill as he is taking over for Haynes Townsend, Vice President Alexander will be continuing with Townsend's theme of "Kindness Matters" when he is elected as President in Singapore this June.

My DGE class instructor was PID Ed Farrington who was our districts guest speaker at our district convention in 2015. The majority of my training was similar to my first time around, however, quite a lot has changed as is everything in life.

One of the biggest seminars I attended in Chicago was on the North American Membership Initiative, mainly known as NAMI. I will be doing a small presentation at our district convention in a couple months with all the details. This program came on everyone fast, but all the aspects were put together even quicker and all the kinks have been worked out.

As far as next fiscal year, we are 4 months away and I am still in need of a couple zone chairs and committee chairs. If you or anyone would like to retain a committee spot or would like to move up or even start a committee, now is the time to let me know.

Planning is underway for our coming District Convention which will be towards the end of next month. Our District Secretary, Joy, has sent information to clubs with all of the information pertaining to the convention including Friday nights hospitality party where we will be welcoming International Director Michael Banks from Oklahoma who will be our guest speaker for the weekend. All members and guests are able to attend Friday's hospitality party as well as Saturday nights banquet which all the information is also provided in the packets sent out.

March is always my favorite time of year. With warm weather on the way, Baseball Spring Training, and of course, Parade Day!!!! Our district will be having a float in the Scranton parade and we are always looking for members to either walk in the parade or ride on the float. We usually meet near the VA Center on the corner of Mulberry and Penn between 9am and 10am to do final touches with decorations. We are also in an early division of the parade so there will be plenty of time afterwards to enjoy the rest of the day.

On an ending note, if your club has not started planning fundraisers or service activities yet, now is the time to start. We have an early Spring predicted and good weather will be here before we know it.

VDG/PDG Dave

Your 2020 District 14 – H Convention

PLEASE JOIN US AT THE 2019-2020
DISTRICT 14-H CONVENTION AT THE

HONESDALE LIONS CLUB

Honesdale Lion Al Baerenklau is very involved with Special Olympics. Here are some photos of Al coaching basketball with several athletes and a group shot of the participants and Coach Baerenklau. Area P Special Olympics Basketball athletes had a great time during the last meeting of this season by Lake Wallenpaupack. Participants were awarded medals and closed the season with a pizza party. Lion Baerenklau and his wife, along with several other volunteers help these special athletes learn about the game of basketball while having fun. Lion Baerenklau serves his community in other ways also including as a driver for meals on wheels and the Arc of Wayne County and Dyberry Day camp.

Through his service Lion Baerenklau impacts many in our community.

District 14-H plans health/safety fair

District 14-H of the Lions Club plans a health/safety fair at Scranton High School. Seated, from left: Cathy Metschulat and Ken Savitski. Standing: Joseph Skinner, second vice district governor; Roger Wallace; Joy Lewis; Pam Savitski; Mark Kusma, vice district governor; and William Metshulat, district governor. The fair will be held on Sept. 22 from 10 a.m. to 2 p.m. at the high school, 63 Munchak Way, Scranton.

Valley View Leo 2019

Valley View

Nina Grushinski is January senior of the month for English.

"I am incredibly honored and humbled to be selected," she said. "Literature is so remarkable in that it enables us to discover deeper meaning within ourselves and the world around us. I would like to express my sincerest gratitude toward all the amazing teachers within the Valley View School District who encouraged my love for the subject."

The award is sponsored by the Valley View Student Council and the Blakely/Peckville Lions Club.

Nina is vice president of the history club and an active member of the LEO club.

After high school, she plans to study psychology at Marywood University.

Dunmore Lions Club

The Intra Borough Boys Basketball Championship Game between Dunmore and Holy Cross High Schools was recently held at Holy Cross High School. The game sponsored by the Dunmore Lions Club to help defray the cost of their College Scholarship Program is now in its 39th year. This year the Holy Cross Boys defeated the Dunmore Boys by a score 69-46 and ended the regular season with a 20-2 record. The Holy Cross boys' team is the top rated basketball club by the Scranton Times Sport Writers. Both teams will be entering the District Playoffs. Pictured below are both teams and members of the Dunmore Lions Club.

Holy Cross High School

Kneeling left to right: Coach Mike Zayac, David Romanski, Hayden Hosie, Caleb Callejas, Head Coach Al Callejas, and Lion President Jim Aita with trophy, Leahy O'Connor, Doug Walsh, and John Hartridge

WORLD HEARING DAY

HEARING
FOR LIFE

MARCH 3, 2020

Hearing Protection: Adults and Seniors

Hearing loss affects almost 38 million American adults. Although it's a serious condition on its own, hearing loss is also associated with other conditions—including high blood pressure, high cholesterol, heart disease, diabetes, depression, and dementia. Adults should protect themselves from avoidable hearing damage and seek treatment if they are experiencing problems.

Noisy Jobs: Loud noise is one of the most common workplace hazards. Researchers from the Centers for Disease Control and Prevention found that a quarter of U.S. workers reported a history of noise exposure at work. Wear hearing protection at jobs where loud noise is a concern. U.S. employers are required to implement a hearing conservation program when noise exposure is at or above 85 decibels averaged over 8 working hours.

Noisy Leisure Settings: Noise in nightclubs, concert venues, stadiums, restaurants, and gyms can routinely reach unsafe levels. Not long ago, the sound level at a professional U.S. football game registered as an earthquake. Unlike occupational settings, there is currently no standard for safe listening in leisure environments. Adults can help preserve their hearing by wearing hearing protection and choosing quieter activities.

Medications: More than 200 known prescription and over-the-counter medicines on the market can cause hearing loss (called "ototoxic" medications). Some treat serious infections, cancer, and heart disease. Although there is often little choice when it comes to taking these medications, patients should consider the effects on hearing with their doctor—and make sure that their hearing and balance are being monitored during treatment.

Age-Related Hearing Loss: Aging is the most common cause of acquired hearing loss—affecting half of adults in their 70s and 80% of those 85 and older. Despite this, only about one third of people with self-reported hearing loss have ever had their hearing tested. And only 15% of those eligible for hearing aids consistently use them. Treatment can improve all aspects of life.

Learn more at www.asha.org/public and www.hearingloss.org.

Falls Lions Club

The Falls Lions Club members were found to have a very busy February. But regardless of the cause that the event is done for, we always find that we have a great time.

Our first event was titled "Pasta with a Purpose" and was a benefit dinner for a local resident.

The dinner was also accompanied by a "Basket Raffle" with numerous baskets and a couple of 50/50 drawings. The turn-out of support by friends and neighbors was such that there were 250 dinners served. A worthwhile cause that was very much appreciated by the recipient family.

Our second event was our annual "Game Dinner" fund raiser. It has always been popular as one of our Lions Club Members is owner of the establishment that hosts the dinner and is also a "chef" known for the many varieties of game-meat dishes he prepares. Our local's do a great job of donating many types of "game", while others donate vegetables, desserts, and other items needed for the preparation. The prep work alone requires many hands helping for the previous week. It is not only a good fund raiser, it provides the community a fun time of camaraderie with their neighbors, and reminds everyone that the Lions Club is an active neighbor in their community.

OUR LITERACY IS IN JEOPARDY Quiz Show Event

This is a fundraising event like you've never been to before. The Wayne Pike Adult Literacy Program is proud to present the

Jeopardy Champions for Literacy to support the effort to improve adult literacy in Wayne and Pike Counties.

Why is this important? Because 1 in 5 adults in our area struggle because they are illiterate or below literacy standards.

Date: Saturday May 2, 2020
Time: 7pm to 10pm
Location: Ritz Company Playhouse
512 Keystone Street | Hawley, PA
Tickets: \$30 includes the show and two drinks!

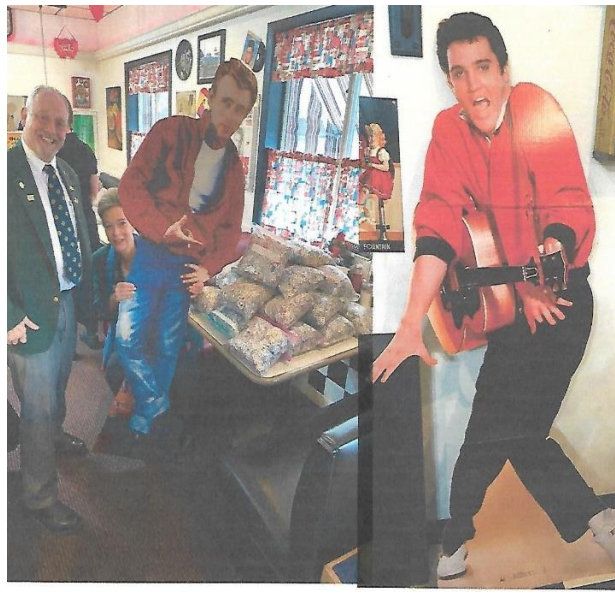

Come to watch our local "celebrity" quiz show contestants compete! They represent the fields of education, medicine, politics, business and the press. Here's your chance to help raise money for a great cause and enjoy an evening of great entertainment.

Master of Ceremonies – Chris Barrett, President/CEO, Pocono Mountains Visitors Bureau
Jeopardy Host – Stefano DiPietro, Eyewitness News Meteorologist, WBRE / WYOU

Tickets are available for sale now – just go to
[https:// Ritzplayhouse.seatyourself.biz](https://Ritzplayhouse.seatyourself.biz)
But don't wait. They will sell fast!

For more information, call Gary Linton at **570-253-3321**
For more information about WPALP, please visit our website at <https://wpalp.org/>

VDG Dave, DG Fran and PDG Joe were quite with the 117 pounds of can tabs that we were able to donate to the Ronald McDonald House in Scranton, but the Governor got a little handsey when Jimmy Dean showed up and everybody was happy when Elvis came.

Message from our International President

What your district knows about your Lions and their work directly affects your ability to increase your membership. Success in your district depends on how effectively your clubs are promoting their service and their value to their communities.

We need Lions to take greater ownership of their club’s marketing efforts so they can increase their visibility in the community and get their story out. One of the best ways to do this is to encourage every club to appoint a marketing communications chairperson who can work to shine a spotlight on the good they are doing.

Our brand is one of the most recognized in the world, so let’s use it. When your district and clubs focus on promoting who we are, what we do and why we matter, we will find new members, new partners and new success.

Regards,
Dr. Jung-Yul Choi
 International President
