

**August 2020**

## *From the pen of our Governor*

Happy August everyone.

Now that we are into the second month of our fiscal year and our daily lifestyles are beginning to come back to par, it is important to keep our long-range plans in focus rather than a day-to-day basis. Of course, we need to take things one day at a time, but do not limit yourselves to just one day.

This month, I want every club to focus on MyLCI. One of the most difficult tasks I had while putting together our directory (which has just been completed) was getting information from club officers. Correct addresses, phone numbers, even e-mail addresses are either inactive or not even provided. If a club has a secretary that is not a fan of using computers, which is fine, a Club Administer can be added. This position pretty much has the same on-line access as a club president or secretary and can add/drop members (but we don't want to drop anyone), update member info, enter club service activities, and also has access to the Lions learning center to train for higher positions in the future. Once appointed, contact PCC Mark Kusma, District Administrator, to get set-up on-line.

Clubs that have not responded to entering officers for the new year have the same contact information as last year. If this is an issue, please let me know so I can inform other clubs to update their directory.

As of right now, I plan on going forward with our August cabinet/member meeting on the 16<sup>th</sup> at Wallenpaupack Brewing Company. Many other districts throughout our state were safely able to have theirs and for how safely we had our June meeting, there shouldn't be any issues. Of course, it is optional if you don't feel comfortable in gatherings just yet. Club secretaries and/or presidents should have received a flyer regarding details of the meeting. Please RSVP to district secretary Joy Lewis as soon as possible so we can have a proper head-count.

This year I am adding a fun part to our district convention. At club visits and cabinet meetings, I will be selling raffle tickets for a Melvin Jones Fellowship. Each ticket, numbered 000 through 999, is only one dollar and winner will be based off of the evening "pick three" drawing of the Pennsylvania Lottery. If tickets sell out soon, I will do another round so we can have two winners that night. All proceeds will benefit LCIF.

From Lions Clubs International Headquarters, there will be no membership initiation fee to new members added to your club's roster from now through the end of 2020. This is a good opportunity for your newly appointed club administer to update your roster and show the growth of our district that we are always pushing for.

Make sure you are planning future events with your club and post them in the newsletter. I hope to see everyone on the 16<sup>th</sup>.

Stay Safe. Dave

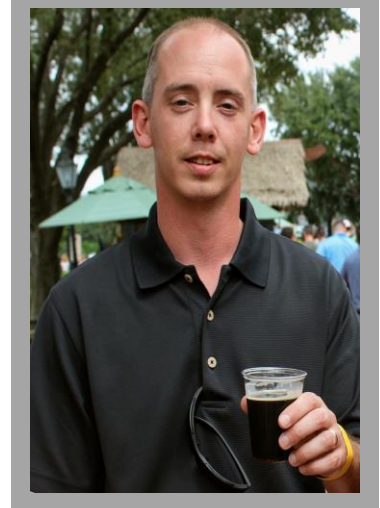

## *From the pen of our Vice Governor:*

*Hello Lion brothers and sisters,*

Let me start off with something very important.

We are still in need of a 1st Vice District Governor. I know there is someone out there that wants to do more but isn't sure, how to go about it. I was nervous to take the step... will I have time? Can I do a good job? What am I getting myself Into? I asked myself all those questions and more. I can tell you that your family, Club, and the district will help you along the way. You have already done so much for your club. Why not take the extra step and help your District? My biggest concern was time. You will make the time. I had just started a new job so I didn't think they would accommodate the time off. I was wrong! They encouraged it! Talk to your family, employer, and club. Then reach out to the district. You won't be disappointed.

I can't wait for this journey to really get started and to be able to meet and help people from around the state, the country, and the world!

#### Brookfield Renewable Donation supports Wallenpaupack Our Kids Food Pantry

The Wallenpaupack Our Kids Food Pantry has been sending food home with students for families in need since its formation in 2017. Rosemary Martynuk is the founder of the Wallenpaupack Our Kids Food Pantry. Monetary donations, Second Harvest Food Bank, and amazing donations from the community support the Kids Food Bank inventory. Products are collated, bagged, and prepared for distribution. Rosemary and her volunteer staff man this community outreach program and have grown and adapted as circumstances change. Originally, food was sent home with students in school. Since the covid-19 pandemic, school has not been in session. The Kids Food Pantry continued to support our community by providing food pickups at the high school every Friday. Each pick up would have a few days of supplies. It is unclear what format Wallenpaupack School District will adopt in the fall. However, Wallenpaupack Kids Food Pantry will continue to provide to families in need.

The relatively new owners of PPL Lake Wallenpaupack, Brookfield Renewable, has donated \$1,500.00 to the Wallenpaupack Our Kids Food Pantry. Brian Noonan of Brookfield Renewable Donation initiated this donation. Brookfield Renewable Donation supports various community programs in their many service areas. Working with the **Hawley Lions and the 501-C-3 chapter of District 14H Lions**, this donation became tax deductible. Between the **Hawley Lions Club and Lions District 14H**, the Wallenpaupack Our Kids Food Pantry has received another \$650.00.

### Liquor not permitted in basket raffles

*Please be aware:* A popular staple in basket raffles is a "no-no."

After researching the matter with the Executive Director of the PA House of Representatives' Liquor Committee and the PA Liquor Control Board, MD-14 legal counsel Lion Ashley Grimm reported that "liquor is not permitted to be in a basket for purposes of a raffle. This also includes silent auctions.

"This equates to selling liquor without a license," Lion Grimm said. "A wine and spirits gift card is permitted to be included in a raffle basket, though."

Lion Grimm's research supported the opinion expressed by Lawrence County Treasurer Richard Rapone in a recent New Castle News story that had prompted MD-14 State Council Chair Bill Morgan to contact Lion Grimm.

As part of the News story, Capt. Jamie Jones of the LCB Enforcement Bureau said including any type of alcoholic beverage – be it a six pack of beer, a bottle of wine, a bottle of whiskey or the like – is a violation of the Pennsylvania Liquor Code, Title 47, and is an unclassified misdemeanor offense. The fine upon conviction is \$500, levied to the organization sponsoring the fundraiser and not the donor of the basket.

In the News story, Rapone pointed out, under the state's small games of chance law, it is illegal to host basket raffles at fundraising dinners used to benefit someone who is sick.
