Keeping our eye on the pride

# From the Governor

Happy May everyone!!!

I first want to congratulate Barb Taylor for being the winner of the Melvin Jones Raffle. Despite the year we had, I think the raffle was very successful as our district was able to put an extra \$1000 donation towards Lions Clubs International Foundation. I'd like to see this raffle continue in the future as well as other districts consider doing the same.

For those clubs that are still able to contribute towards our district's Fair Share program, please submit your donations by the middle of the month so we can distribute to the dedicated committees and your club can receive credit within the current fiscal year.

June 6th is set for our final district cabinet meeting of the year. It should be a brief meeting followed by a family friendly cookout at the Pine Pavilion at Lackawanna State Park. Cost is only \$10 per person and kids are free. More details will be included in the formal call for the meeting which either club secretary or president should have received.

For clubs that have been idle for a while, I would like for you to consider plans to meet again whether it is in a spacious in-person location or online (Zoom, emails, phone). With warmer weather coming and our communities looking to get out and socialize again, they will be looking towards organizations like ours to have events for them (chicken BBQ's, park and/or roadside cleanups, raffles of any types).

Information for our virtual State Convention is provided further in this newsletter. There is no registration fee and it is a great opportunity to see and hear messages from current and past International Directors as well as our current International President.

Finally, I just want to remind all clubs to have all dues up to date (district, state, international) and that I am available for a club visitation.

D G Dave.

# From the 1<sup>st</sup> Vice Governor

Hello Lions of District 14H,

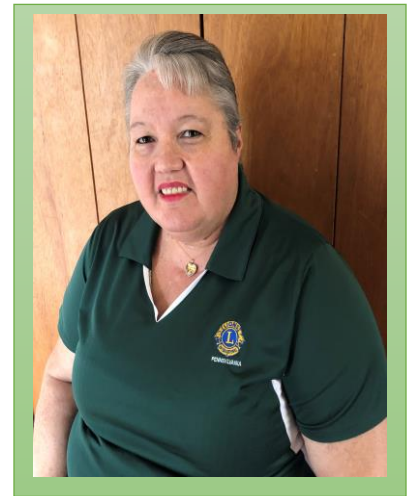

I'm happy to report that all of the snow has melted from my lawn, finally, and maybe we can continue with spring now!

Between regular everyday events, Friday, April 23<sup>rd</sup>, I started my District Governor Elect training, and it will continue every Friday night for the next 6 weeks. At the opening of our first training session, 1<sup>st</sup> VDG/IPE Douglas X. Alexander from Brooklyn, NY spoke to us and encouraged each of us to find the heart of Lionism.

A few weeks ago, he sent a message out asking that we all get a picture taken of ourselves making the heart sign. He honestly believes in Lionism and the good that we can do. He also encouraged us to bring a member, that if each one of us brings one member how much stronger Lionism would be. He also spoke about LCIF and challenges each one of us to continue make contributions to the foundation. Because of the pandemic, LCIF's Campaign 100 has been extended one more year, until June 2022. The remainder of our training session was more of a meet and greet along with getting familiar with the platform that we are going to be using for our training. This year's 1stVDG/DGE's is setting a president for virtual training. Not being able to go to Canada personally, brings many challenges to LCI's tech department, to be able to accommodate this type of training. During our meet and greet, we split off into separate rooms with two Lions each. During our 7-minute time limit in the room, we were to see how many commonalities we had. My partner was Nicole from Australia and we had 12 commonalities; the winners however had 20! I look forward to my next training session on Friday, April 30<sup>th</sup>. My next item on the checklist is the PA State Convention on May 14<sup>th</sup> and 15<sup>th</sup>, which is just for the sitting Governors, the incoming Governors, the International Family and several special guests. On Friday, May 14<sup>th</sup> we will be holding state council and in the evening the Honors Banquet. The following day, the DGE's will be holding their first meeting as a council and start to prepare ourselves for our upcoming year. All in all, my schedule is full, and now that the restrictions are being lifted, hopefully DG Dave and I will be able to visit our Lions Clubs. Recently we visited the Scott Twp. Lions Club and had a good time of fellowship and DG Dave and I were able to meet the deadline for being pole sponsors for their upcoming golf tournament, which is already sold out! Congratulations Scott Twp.!

I am still receiving and accepting donations for my governor's directory. If you would like to place an ad, please email me at [c.metschulat@outlook.com](mailto:c.metschulat@outlook.com) or send the ad to 135 Lakeside Park, Madison Twp., PA 18444. Thank you very much!!

In Service & In Friendship,  
1<sup>st</sup> VDG/DGE Cathy

# Spontaneous Sputtering

It doesn't matter how nice the hand soap smells...you should never walk out of the restroom sniffing your fingers.

If you fall short in making everybody happy it is because you are not Tequila.

It is better to walk alone than to walk with the crowd going in the wrong direction.

If you have to choose between wine or being skinny, which would you choose – Red or White?

When you forgive, you heal. When you let go, you grow.

May your choices reflect your hope, not your Fears
