July 2021

PDG Joe Skinner – Jskinner710@comcast.net – 570-587-2073

## *From our Governor's Desk*

Hello Lions of District 14H and to your families. Now that July 1<sup>st</sup> is here, and I start my year as District Governor, we can start a year that hopefully will be completely different from the past year and a half when we were not able to meet with each other. It was in March of 2019 that PDG Fran Stepkovitch had to stop her visitations for her year of 2019-2020. Also, IPDG Dave Barrett did not have much luck with visitations in his 2020-2021 year. So, I am looking forward to meeting with each of you during my governor's visitations and your club's fundraisers.

June 29th, I went on a little road trip to our PA Lions State Office in Harrisburg to attend my ribbon pulling ceremony with other incoming district governors from around the state of PA. Typically, this ceremony happens at the international convention but since the convention is being conducted online, my class opted to get together and hold our own little ceremony. I enjoy being with my class and I am especially looking forward to this coming year, sitting with them during council meetings and getting to work!

I encourage all of you to "pull your sleeves up" now that we are able to get out into the communities. There is much to do in the community with service projects as well as fundraising. Secretaries, please report your clubs service projects on MyLCI. This is a very important task as it goes farther than letting MyLCI knowing what your club is doing. LCIF can get funding from various sources such as The Bill Gates Foundation. They look at the work that we are doing as Lions and this is one of the factors that determines whether they donate to our organization. Without this information of what clubs are doing, the funding is not there which means less funds from LCIF and less amount of people that can be helped.

Also, Secretaries, I have emailed a spreadsheet listing all my visitation dates. Please reply as soon as possible if the date I marked for your club is okay and if not what date your club prefers.

As I finalize my governor's directory, I have two chairs still available, and they are both state positions (open to any Lion); one is for the PA Lions Foundation and the other is for the NEPA Service Foundation. You would need to attend board meetings and reply to emails. Also, there is still room for ads in my directory. If you wish to have your club's ad or a personal ad listed, please contact me as soon as possible via e-mail at [c.metschulat@outlook.com](mailto:c.metschulat@outlook.com) or call me at 570-504-6261, thank you!

In Friendship & In Service,  
DGE/PDG Cathy

## Six Get Lions' Highest Honor

Six area residents have received the highest form of recognition conferred by the Lions Clubs International Foundation.

The six — John Donelan of the Minooka Lions Club, Ralph Fliedner of the Lake Ariel Lions Club, John A. Verrone of the Olyphant Lions Club, and Ethel Heen, Roy Kelly and E. John Scheller of the Green Ridge Lions Club — were named Melvin Jones Fellows in recognition of their commitment to serving the world

community.

Named for the founder of Lions Clubs, Melvin Jones, the fellowship is the foundation's highest honor and is given to those individuals who display a commitment to humanitarian service.

The six were notified of their selection by Dr. Giuseppe Grimaldi, chairman of the foundation's board of trustees.

All of the new Fellows received plaques and lapel pins acknowledging their dedication to the organization's hu-

manitarian goals. And their names have been added to the listing of all Melvin Jones Fellows. The listing is shown electronically in continuous rotation at the foundation's headquarters in Oak Brook, Ill.

Lions Clubs International is the world's largest service club organization, with more than 1.4 million members.

As the charitable arm of the association, the foundation acts as steward of the financial resources that are disbursed for humanitarian causes.
