June 2021

Words from *OUR* Governor

Happy June Everyone,

We had one heck of a year but we are still standing in the end.

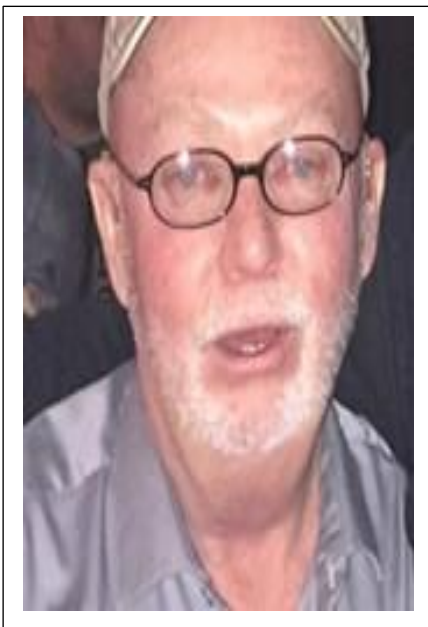

We still have one more District Cabinet / Member meeting which will be June 6th at Lackawanna State Park (Pine Pavilion). It will be a family friendly picnic where you may bring your family as well. There is no charge for children 12 and under and adults are only \$10 each. Please let District Secretary Joy know if you'll be attending as soon as possible so we will have enough food.

As my term as Governor comes to an end, I obviously want to thank all the clubs for their support, Secretary Joy and Treasurer Shirley for accepting their appointed positions, Zone Chairs Ian, Kristen, Mike, and Michelle for their help, and especially Vice District Governor Cathy who will also take the roll as Governor one more time at the end of the month.

As always, I encourage clubs to start planning on doing events and fundraisers to help support our communities. With everything opening back up, our clubs events should be the reason to the community members to get out and show support.

Please feel free to message me if your club needs help with anything and I hope to see everyone on June 6th.

DG Dave

In Memory of

Words from *OUR* 1st Vice Governor

To all of my fellow Lions,

First, I would like to extend the warmest and deepest of sympathies to our District Governor Dave for the loss of his father. Please keep him in your thoughts and prayers. As I continue to complete my training/studies for becoming your next governor, I am more encouraged and excited to start my year. I wasn't sure that I would learn a lot, being that this is my second term of governorship. But that is not the case at all. We have studied not just about what it takes to be a governor but about the clubs. Without the clubs, the governor does not have a district to oversee. Our clubs need to be strong and healthy and for them to be that way, there needs to be good leadership within the club. There are many good leaders within the district that are just at club level that could be at district level. But what keeps them from moving forward? Fear, uncertainty, lack of training, lack of years as a Lion, etc. I am here today to speak to that Lion ... if you are interested in moving forward to the district level but one of these reasons is stopping you, please contact me and we can talk about it and possibly work through it. There is training available, both in person and online for many positions. This brings me to a position that desperately needs to be filled; the First Vice District Governor. We are without someone for this position and this means that July, 2022 there will be no governor. Please if you are interested in this position but you are not sure if you qualify or you have questions, please call me or any of our PDG Council and we would be happy to answer your questions. Lions lead their packs, who is the next Lion to lead District 14H into the year 2022-2023?

Thank you to each and every one of you who work hard to make our district a great one. I look forward to becoming your governor and meeting with you to share your stories of success.

In Friendship & In Service,

DGE/PDG Cathy
