Hello, All Pennsylvania Lions & LEO's,

This being my last newsletter to all of you, as your District Governor, I had a certain message that I wanted to send out to you. However, I came home Sunday the 22nd from the 99th PA Lions State Convention, which was held in Valley Forge and there are certain topics that I need to share with you. But before I do, please consider coming to next year's Pa Lions State Convention as it will be our 100th!!!

The first, would be concerning PA Lions Beacon Lodge Camp. Two sessions had to be cancelled this summer due to the lack of staff. They need counsellors, nurses, cooks, and housekeeping. That may sound like a lot of positions, and it is, because of the lack of interest the public has for filling them. They have even increased the weekly pay across the board and that has not even made a difference. Why am I bringing this to your attention? It is because the camp belongs to the PA Lions and the camp's executive director, Jonathan Carver has asked if there is any Lion in PA that would be willing to volunteer for a camp session, it would be greatly appreciated. Your help is needed, please visit their website at beaconlodge.org for their contact information and summer sessions dates.

The second, is the number of Lions that we have here in PA. Unfortunately, the number is partially caused by the number of Lions that we have lost in death this past year. Our population is primarily of 50 years of age and older. Which means that we need to add newer, younger members. Our district has lost 64 members which includes the 8 members that dropped out. We did add 58 members so far for the year. I know that it is hard to get new members, when we live in a life style of what seems to be, one that doesn't want to become a volunteer in a club. Some will listen to your 5-minute elevator speech and agree that it sounds nice and that they will think about it, but then as soon as you walk away, they have forgotten what it is that you talked about. But please do not feel defeated, keep trying, have an open house and invite your neighbors, your community to come for an afternoon of refreshments and share your stories with them about why you became a Lion!

The third and last thing that I would like to bring to you from the convention is, do not forget that we have three foundations that will help provide your club with the money that is needed for your projects and for the community, but also for disaster relief. The three foundations are; the Lions of Pennsylvania Foundation lionsofpafoundation.org Northeast Pennsylvania Lions Service Foundation nepalsf.org and the Lions Clubs International Foundation lionsclubs.org. Any of these three foundations would be a good fit for your clubs needs to help your community.

If I may be indulged for a moment, I would like to take the time and thank everyone who made this Lions year a successful one, and that means you! You have taken the time to go to meetings, to help with service projects, and to be part of our 744 members. Just think if everyone had one member join your clubs, we would have 1,488 members and that is something to think about. I know that it not always all about the numbers, but the spirit of the club and helping their communities. We have a few clubs that have not been doing so well and my cabinet and I have been trying to get them turned around and going again. Please, if you think that your club could use the help of the district cabinet, please reach out to one of us. I know that DGE Allan, 1stVDGE Dave or 2ndVDGE Sandy would be more than happy to help your club in the capacity that is needed.

Please put the following June dates on your calendar:

June 5th District Cabinet Meeting @ Jefferson Twp. Lions Club 11:30 a.m.

June 9th District Sight First and Hearing meeting @ Jefferson Twp. Lions Club 7:00 p.m.

June 24-28 Lions International Convention in Montreal, Canada

For more dates and information, please check out the Paws to Refresh, May edition, it is filled with a lot of useful information.

Again, thank you to everyone! It has been a privilege serving as your governor, both terms. I wish all the best for each club. Take care and God Bless!

In Service and In Friendship,
DG Cathy

Past & Present – Vision for the Future
Dedicated to Service & Friendship

I hope everyone has a wonderful Memorial Day Holiday and spent some time to honor and remember those family members and friends who gave the ultimate sacrifice in serving our county.

I want to personally thank and congratulate PDG/DG Cathy Metschulat for all her work during the past year as our District Governor. Her term faced numerous challenges in transitioning from the COVID-19 restrictions to returning to in-person meetings in addition to the numerous responsibilities of the District Governor.

With our Lions year 2022-2023 quickly approaching in less than a month, I look forward to working with 1st VDG Elect David Rudis and 2nd VDG Elect Sandy Thubborn along with all our District Officers and Committee Chairs.

I am now in the process of completing the list of District Officers and Committee Chairs. I still have a number to fill and would again encourage all Lions to consider volunteering to serve on a District 14-H committee or within your own Club. Your help is needed for us to continue our work both on the Club and District levels.

I along with many members of our District attended the PA Lions Convention from May 19th to 22nd in Valley Forge. Lions Immediate Past International President Dr. Jung-Yul Choi from South Korea was the principal speaker. He had a great talk at the Melvin Jones Breakfast on our Foundation and Campaign 100 coming to conclusion.

Just a reminder that the Charter Fee is waived by LCI until June 30. You still have just 1 month to take advantage of this LCI opportunity to bring new members into your Club.

I look forward to seeing everyone at our next Cabinet Meeting at Jefferson Township Lions Club Hall on June 5th.

As we prepare for the upcoming Lions year, I look forward to seeing and working with everyone in during the upcoming year.

Yours in Service and Friendship,

Lion Allan

I hope everyone had a great Memorial Day holiday and spent some time to remember friends and family who have served our county. Thank you!

Keep beating that drum and try to increase our ranks. The Charter Fee is waived by LCI until June 30. Now is the time to act! Especially focus on younger members! It can be done if you want to increase our ranks.

Thank you to all who participated in the PA State convention May 19-22 in King of Prussia/Valley Forge. With almost 400 in attendance, the convention was a success and a fun time for all who attended to welcome our Immediate Past International President Dr. Jung-Yul Choi from South Korea. He had a great talk at the Melvin Jones Breakfast on our Foundation and Campaign 100 coming to conclusion. The Campaign should meet its' goal of \$300 Million. DGE Allan and myself are preparing for the 2022-2023 Year. FYI – The 1962 Convention in Scranton, PA at the Hotel Casey had 3000 in attendance.

I am looking forward to seeing everyone at our Cabinet Meeting at Jefferson Twp. on June 5th at Noon!

All the best,

Dave

FALLS LIONS CLUB

Donna Buzon is holding one of our finished mats. We are collecting large heavy plastic bags, to make mats for the homeless to put under their bed rolls. The bags are cut and washed then taped together, heat gun is used to make used they are sealed together. Recycling large heavy-duty bags, such as dog food and salt bags etc. we open and wash them. Put ends together with duct tape, then heat the tape with a heat gun to get the seams to really seal. Two 50lb bags make a good size for a mat. They are then given to the homeless to put their bedroll onto

This is Kelsey, who is 14 with disabilities, it was brought to our attention that she was in need of a walker. She doesn't walk alone, nonverbal but talks with her eyes. It was voted at our meeting that we should get her the walker she needs. When Mom was given the check, she got very emotional.

We are starting our first movie night at Hock Park in **Falls** on June 25. Movie will start around 8:30 PM. All are welcome, bring your chairs. We will have popcorn, snacks and drinks available.

Love to see you all there

Memorial Day, originally called Decoration Day, is a day of remembrance for those who have died in military service for the United States.

In 2012, the New York Times reported that as many as 25 different places claimed to have begun Memorial Day. In 1966 President Lyndon Johnson officially declared Waterloo N.Y. as the birthplace of Memorial Day, where the village held an event on May 5th 1866. It is known that other informal observations took place before that, such as on May 1st 1865 (two weeks before the end of the Civil War), newly freed slaves in Charleston, South Carolina, held a ceremony reburial of fallen Union soldiers with a proper burial.

ABINGTON LIONS CLUB – MEMORIAL DAY WEEKEND

PENNDOT SAFETY BREAK – COFFEE STOP

For about the last 10 years the Abington Lions Club has taken part in PennDot's Safety Break Coffee Stop program, on Rt 81. The club members take 4-hour shifts, many members taking more than one shift, giving away, coffee – tea – punch – pastries and hot dogs, to travelers, at our assigned rest stop. It is a favored project, because we meet so many great and interesting people. Below are some photos:

President Dave Lindsey and Lion Joanne Pezzuti

Lions Rich, Shirley, and Joanne

Lots of people, and others stop for a snack

Give children punch and sugary treats and then put them back in the car, with their parents, for the next 3 hours of the trip.

DUNMORE LIONS CLUB

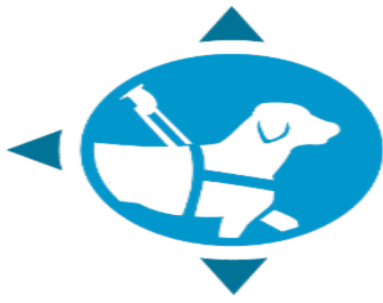

The Dunmore Lions is extremely proud that Elizabeth Zangardi has accepted membership in our Club. Lion Beth has an extensive background in management. She is the coordinator of the Shared Ride Service for the County of Lackawanna County (COLTS). She is also a Council woman for the Borough of Dunmore and a board member of Scranton Sewer Authority. Beth is a volunteer for the Saint Anthony's Memorial Park Association and the Borough of Dunmore Mosaics Committee. The installation was recently held at the Fireside Restaurant in Dunmore. Pictured from left to right; Lion Sponsor Leo Wentline Jr., Lion Beth and Lion President Jim Aita. Over the years members have found that the Lions Club offer many opportunities for personal growth in the largest service organization in the world. An added benefit is the incomparable feeling you receive from volunteering.

Or PDG Joe Skinner, or any PDG

This is the last newsletter under District Governor Cathy Metschulat. The last 2 years have had many unforeseen challenges, not just for Lions, but for everyone. As District Governor Lion Cathy has handles every challenge with care, intelligence, and the heart of a Lion. I feel honored that I have been privileged to be part of her Cabinet, and a friend for many years past and future. Thank you District Governor Cathy!
