# *From Our Governor*

It is hard to believe that November is here, Thanksgiving is less than a month away and the Holiday Season is not far behind.

Your Leadership Teams has been busy this fall. Since September, I, along with VDG's David and Sandy have enjoyed visiting 11 Clubs and will be making an additional 7 Club visitations during November.

Additionally, we attended the PA MD-14 Leadership Symposium on October 15<sup>th</sup> at the State Office in Harrisburg and the PA Lions State Council Meeting (#2) held in Pittsburgh on October 28<sup>th</sup> and 29<sup>th</sup>.

***I am urging that District Club Officers plan to attend our next District Cabinet Meeting which will be held on Sunday, November 6<sup>th</sup> at the Happy Valley Sports Bar, 516 Storrs Street in Dickson City. Registration will begin at 11:30 AM. Cost for the buffet luncheon is \$26 and reservations can be made with District Treasurer Lion Shirley Skinner at (570) 587-2073 or email sasskinner@comcast.net.***

Just a reminder, the Annual District Calendar Fund Raiser is now underway. Tickets are \$20.00 and winners are picked by matching the PA Daily Pick 3 Number with daily winners of \$50 (\$100 on selected holiday from January 1, 2023 through June 30, 2023 (Clubs earn \$3 per ticket sold by the Club). I will have tickets available during Club visitations through year end. Clubs may obtain tickets sooner by contacting me with the number of tickets desired.

My thanks to everyone for your continued service, support and cooperation this Lions year. Your Leadership Team has thoroughly enjoyed our Club visitations and look forward to our upcoming visitations.

Finally, I want to wish everyone a safe and enjoyable Thanksgiving Holiday and always my thanks to everyone for your continued service, support and cooperation.

*Yours in Service and Friendship,*

# *From Our Vice Governor*

Thank you for supporting the Mega Bingo in Scott Township on Sunday October 9th. The Calendar Raffle is underway and is necessary and essential raising the funds necessary for hosting of the State Convention in 2025! Please make every effort to support your district.

We are traveling around the district visiting our clubs early and will have all but 3 visitations completed before Thanksgiving! These visits are essential to getting the word out that we need members and our Districts upcoming plans in that regard. Please encourage each Club President, Secretary and Treasurer to attend our next Cabinet Meeting in November. We need to increase attendance at Happy Valley Sports Bar on November 6th and get the word out about what we do as Lions!

DG Allan, 2VDG Sandy and myself attended the Fall Symposium on October 15th in Harrisburg. We are also attending PA State Council Meeting in Pittsburgh on October 28-29th.

No one has come forward to replace the irreplaceable PDG Lion Joe Skinner who want to retire as Newsletter Editor! Please keep your eyes and ears open for any hint at a potential. Check with your club members and try to get someone new involved.

Enjoy your Thanksgiving Holiday and we will see you around the district!

All the best in service and friendship,

*Dave*

Once again the state of Pa. put our hearts on display as we sent two tractor trailer loads of much needed supplies to eastern Kentucky. Due to the heavy flooding and the loss of many lives early access was denied which stalled our response. Once in contact with the District Governor in eastern Kentucky, [our state Disaster Alert Chair, Lion Jim Groff](#) was able to secure a warehouse down there and a team to disburse the truck loads of items that we sent down from the Pa Lions. As the district Alert Chair, I want to send out a very special thanks to the Falls Lions Club, Montrose Lions Club, Taylor Lions Club and Scott Twp. Lions Club. If any other club sent a monetary gift down, I would like to thank them also. We were able to send down one overly full pick-up truck and one car full of items that those in Kentucky will surely appreciate. Over and over as disasters strikes, I have come to this district and asked for donations and I have always seen the heart of District 14-H. We have fortunately not had a major disaster within our district since 2011, when the Susquehanna over flowed. We are now better prepared than ever before to respond quickly and decisively in the event of a disaster within the confines of our four counties. I still would like to have someone from each club to volunteer as an alert team member, to reduce our response time. **Thank you once again** and continue to pray for those in Kentucky and Florida.  
PDG Bill

The **North Pocono Minisink Lions Club** held their bi-annual Adopt-A-Highway cleanup on Saturday, Oct. 22, 2022. The cleanup comprises a 2 mile stretch of Rt. 690 / Church St. in Moscow Borough. Pictured L to R: Lions Joe Pierangeli, Joe Sabie, Donny Brown (Chairman), Glenn Czulada, and Frank Bonacci. Also helping were Lions Dave Ogonosky and Terry Nye.

Summary of **Montrose Lions October**. We have 2 grants that are awarded in October every year.

The Community Grant had 2 recipients this year, and the school Grant had 8 applicants, all of them were awarded a part of the available grant fund. While we have been helping the Montrose Borough Memorial Park with funds & volunteer labor for years, we are about to extend that effort and help with some much-needed repairs & updates to the South Montrose Softball Park, operated by the Bridgewater Athletic Association. It's a great softball field and well used thru the summer months. We hoping to help rehab the bleachers and maybe update some of the playground equipment. Maybe even apply for the Lions Grant funds if the project grows.

On Nov. 3, 2022 the **Minisink Lions Club's** annual District Governor's visit will take place at the VFW Post 5207 in Daleville with Guest Speaker DG Alan Hetkowski

**Montrose Lions** Litter pickup along Rt. 706 has been postponed due to weather twice but we hope to do it before the weather gets too bad.

Thank you.

We are honored to have a special guest tonight, Josh Longmore a board member of ThinkBIG (helping families battle pediatric cancer). I am friends with Butch and Josie Sands and would like to connect with Lions Clubs, our mission is to relieve stress of everyday financial expenses so families who are battling pediatric cancer can concentrate on treatment and healing. Families of children with pediatric cancer struggle with unexpected out-of-pocket expenses due to the significant amount of time that is spent in the hospital caring for their child and due to caregivers often having to take a leave of absence from work. ThinkBIG is dedicated to minimizing this stress & providing financial support to these families for everyday cost of living expenses and unpaid medical bills. Our daughter 3 year old Emily was diagnosed with stage 4 cancer, which is something no parent or grandparent ever want to hear. We wanted the best care for her, this is when we heard about ThinkBIG, helping with rent, utility bills..... We are an average family, ThinkBig supports this, we don't know what lies ahead, local people helping local people. It's inception in 2014, we have helped over 195 families with over \$1 million in financial support. We cover Pa. Counties - Bradford, Carbon, Cameron, Centre, Clearfield, Clinton, Columbia, Juniata, Lackawanna, Lehigh, Luzerne, Lycoming, Mifflin, Monroe, Montour, Northumberland, Pike, Potter, Schuylkill, Snyder, Sullivan, Susquehanna, Tioga, Union, Wayne, and Wyoming. For more information email [info@thinkbigpa.org](mailto:info@thinkbigpa.org) or website [ThinkBigpa.org](http://ThinkBigpa.org). We are a 501C3.

#### **- NEW BUSINESS -**

- PDG Bill Metschulat (Disaster Alert Chair) talked about, once again the caring lions of our state are gathering supplies to take to the people of the state of Kentucky. Please use boxes that were given to all clubs, I have extra boxes if needed. After the devastating tornado that decimated whole towns in western Kentucky, their neighbors on the southeastern side of the state were inundated with unimaginable flooding in late July, that leveled towns and costs well over 100 people their lives. I was in Mayfield, KY to see the arrival of our Pa lions and 2 fully loaded tractor trailers with over \$250,000 worth of much needed items. On October 21st, PDG Cathy & I will be going to Harrisburg to take as much of your donations as we can fit in our truck and car. We will rent a truck if needed, let's show the heart of our District Lions. Items donated can be dropped off at Amazing Grace Bible Baptist Church on Church Street, Moscow. If you cannot bring please ask either of us and we can arrange for pick up. Thank you! If making a monetary donation, please make out to Lions of Pa Foundation, and mail to Pa Lions State Office, 949 East Park Dr., Harrisburg, Pa 17111. Please note on the memo line of your check KY FLOOD. A list of items needed was sent to all clubs.
- DG Allan made a motion to donate \$500 to Think BIG (guest speaker Josh), 2nd by PDG Cathy Metschulat, no-one opposed, so carried.
